## CARE LEVELS

### Independent Living

Through social activities within the community and a variety of the latest amenities, residents at Chisholm Trail Estates are able to maintain a full life without the challenges of taking care of the instrumental activities of daily living (ADLs) alone. Our community and services are designed to give you the support and comfort you need while leading a lifestyle you desire.

### Memory Care

Our staff provides personal attention including developing programs designed to suit individual resident needs. You can take comfort in knowing our programs are developed by highly experienced, trained staff members who will treat your loved one as an extension of their own family.

“ You’ll find  
family with us. ”

## OVERVIEW

**Chisholm Trail Estates**, located in quietly serene Keene, Texas is a community surrounded in beautiful Texas countryside with gorgeous lake views for our residents to enjoy. The community is designed for seniors who are transitioning yet want an independent lifestyle and those who have need of memory care services.

Within the community, we offer Independent Living residences and lifestyle amenities in our Lakepointe section along with Memory Care residences in our section referred to as The Gardens. Our expertise is helping seniors keep their lives happy, healthy and active. Programs for both residents are designed to maximize a good life and promote well-being.

## REHABILITATION FEATURES

Our beautiful community offers Independent Living, and Memory Care services all within a single campus. At Chisholm Trail, we know it can be an adjustment to leave one’s own familiar surroundings. The experience at Chisholm Trail focuses on a non-disruptive, dignified and comfortable way of life.

Our professional staff is on duty 24 hours a day and seven days a week. We also have a full-time nurse on staff for minor emergencies and first response for medical emergencies. We invite you to come see our gorgeous community and the lifestyle we offer for those seeking independent living or memory care.
