CARE LEVELS

Assisted Living

We offer a full continuum of care with two levels of support for our residents who can live independently, but also require some assistance. Our goal is to support you with just the right level of care for you to flourish within our community designed to maximize your autonomy, dignity and privacy, as well as emphasize family and community involvement.

Transitional Care & Rehabilitation

Our short-term stay suites are adjacent to our therapy department. Under the direction of our full-time Director of Therapy Services, each patient receives a personalized program of therapy designed to meet their specific needs with the goal of returning to their prior residence.

Memory Care

We offer secure Memory Care services to those residents in need at Crystal Creek. Our Memory Care program incorporates the latest research, while never losing focus on the individual. Our caring, professional staff is on hand 24 hours a day to care for, serve and stimulate the minds of our Memory Care residents. Our professional staff is highly experienced with a wide range of behaviors, and is equipped to help our residents deal with frustrating and often frightening feelings with love and understanding.

OVERVIEW

Crystal Creek at Preston Hollow is ideally situated in a tranquil setting in the heart of North Dallas. Inside, you’ll find a welcoming, caring staff and unmatched amenities and services. A cozy fireplace and study, living room, elegant dining room and furnished outdoor patio and garden area are just a few of the amenities residents, their guests and families enjoy.

Come see for yourself why Crystal Creek is such a great environment to call home. We’d love to show you how better care, a great environment and compassionate staff leads to better living.

Crystal Creek is Medicare certified.

FEATURES

Crystal Creek at Preston Hollow

Our Community consists of 45 Assisted Living apartments with a selection of one and two-bedroom floor plans, amongst the largest apartments in the Metroplex - located on the first and second floors.

The third floor features 39 private rooms, two executive suites and two junior suites designed to meet the short-term needs of our rehabilitation and skilled nursing patients recovering from an acute illness, injury or orthopedic surgery.

The fourth floor features secured Memory Care and Long Term Care. On each floor, you may spend time enjoying our resident lounges, share delicious meals in the dining room or enjoy the fresh air on outdoor terraces.
